UPGRADE

From racing to road, Brembo accepts and wins the challenges of innovation and design.

The prestigious results obtained in the major racing fields around the world, and the application of this technology to the products designed for the Upgrade of the braking system, allows enthusiasts to increase the style, performance and reliability of their vehicle; whether intended to travel on urban roads or to compete against time on the circuit.

In the Brembo Upgrade range, car enthusiasts can find the most suitable components to meet their needs.

By replacing the original equipment braking system with Brembo Upgrade products, you enter an exclusive world, made of unique details, passion, quality and extreme performance.

The three product lines to choose from in the Brembo Upgrade range - Sport, GT and Pista - guarantee a wide range of possibilities to satisfy the needs of all those who wish to Upgrade.

SPORT

GT
